

## INTERNET & EMAILING SAFETY FORM

### Pre-primary – Year 6

With your child, please read the following rules about internet and email usage at Kearnan College.  
By signing the form below, you are agreeing they understand our rules.

- Only use the internet or email when the teacher is present.
- With teacher permission, an email may be sent home containing research material for an assignment.
- Only internet sites recommended by a teacher should be searched
- I will only download content relevant to my study
- Never give out personal information over the internet or via email.
- Tell the teacher immediately about any websites appearing which are not suitable.
- Inform the teacher if any stranger tries to communicate online.
- My username and password are to be kept private.
- I must not log onto a computer or the internet using another student's password.
- If I accidentally break something, I must tell my teacher immediately.

**I have read all of the rules above with my child and they understand them.**
